SUBJECT: NEW FOR 2012 SOYBEAN ROUND UP READY or FLOWER COLOR INSPECTION

Dear Grower:

Use the enclosed application for all of your Soybean crops that you will be requiring either a ROUND UP READY OR FLOWER COLOR INSPECTION. Indicate in the appropriate column the type of inspection that you need. This is ONLY for Round Up Ready and Flower Color. A separate application will be sent at a later date for Leaf Drop Inspections.

You need to submit the application to Rita Helms at the Crop Improvement office before June 1 for May plantings or June 25 for June planted soybean. Please specify if you want the inspector to contact the grower regarding application date of Roundup[®], since we only have a 10-day window for inspection after application. If you want the inspector to contact the grower, be sure to indicate the grower's telephone number on the application.

LATE FEES: We charge a late fee (\$100 per application) for each application received after its due date. Remember: acreage may be cancelled for a complete refund.

Sincerely,

Rita
